

*Each candle lights anew
The flame of friendship true
The joy we've had in knowing you
Will last our whole lives through....*

A legacy of candles flickering on the lake reminds us of the spirit and tradition of red and white experiences that last through generations. It reminds us of all we learned. Especially it reminds us of fun, of laughter.

*Playing the game just right, playing
with our might, loyal dependable
Oneka girls have always considered
our obligation to others.*

TURTLE'S TRAIL FOUNDATION

Camperships

In its over one hundred-year history, Oneka alumnae and friends have been quietly generous in support of the camp and its children. Parents have sometimes paid fees for their children's friends. Owners have offered scholarships to those in need. Alumnae themselves have sponsored campers.

Now these gifts are tax-deductible.

During the winter of 2008, a group of alumnae formed the Turtle's Trail Foundation, a nonprofit organization designed to offer girls the opportunity for a summer camp experience.

Those who support camping as an essential developmental experience know what a summer in a healthy environment can mean to a girl. Take her to a camp with a tradition of spirit, friendship, and well-rounded athletic, outdoors, and arts experience, and she carries it with her for a lifetime.
