

WELCOME to the 11<sup>th</sup> Annual Fall Women's Weekend at Camp Oneka to benefit The Turtle's Trail Foundation (TTF). On behalf of the entire Board of Directors listed below, thank you for your participation and support. We hope you have a wonderful and memorable weekend.

The Turtle's Trail Foundation is a non-profit charitable organization formed in 2008, the year of Oneka's 100<sup>th</sup> anniversary. Over the past ten years, TTF has helped send 169 girls to camp! The assistance and support that TTF has been able to provide to these girls is a direct result of your generosity, support and compassion.

For these girls, perhaps just as it was for you, a summer at camp can be a life-changing experience, fostering friendships, self-reliance and good old-fashioned fun. Your support is integral to the success of TTF's mission, and we sincerely thank you for your support and hope it will continue long after this weekend is but a memory.

If we can make your time here at camp better in any way, please let us know. We would be happy to discuss our progress and goals with you and answer any questions you may have.
