

November, 2011

Dear Oneka Friends:

As we celebrate the Turtle's Trail Foundation's third full year, I am happy to report that we were able to award 14 full and partial scholarships to girls in financial need. The girls came to camp from all over the country, many getting to experience the joy of camping for the first time. All of them made new friends, cherished their counselors and came home with memories that will last a lifetime. The loving kindness of counselors and staff in helping all of the girls maximize their camp experience reflects the quality maintained by Barb and Dale and their commitment to the campers and alumnae. That is why each of us stays close to the shores of Fairview Lake, in actuality whenever possible, but always in our hearts.

The TTF Board is grateful to all our supporters and we hope to double the number of donors for the 2012 season. The Third Annual Fall Women's Weekend was a huge success, with 32 alumnae and friends converging at camp for a fun-filled, action-packed weekend. We not only had a great time, we also raised approximately \$5,000 (net) for next year's campership fund. The Fourth Annual Women's Weekend will take place at camp September 28-30, 2012, and we hope even more alumnae will be able to attend! Mark your calendars and make plans to join us next year. Donations are, of course, welcome and greatly appreciated any time of year. Our website at [www.turtletrailfoundation.org](http://www.turtletrailfoundation.org) allows safe, online donations. Check the website as well for the latest news about our activities and pictures from the Women's Weekend. You can also stay connected by joining us on Facebook and following us on Twitter, both of which are now linked from our website.

What we do simply would not be possible without an active, effective Board of Directors. Please note all those whose names appear below. We are always looking for potential new board members and volunteers, so please contact us if you'd like to get more involved with TTF. Please also keep in mind that we are also always looking for deserving girls who might benefit from a camp experience.

Best wishes and many thanks to all for your kindness, friendship and generosity.

Sincerely,  
Ann M. Caldwell, President
